MATERIALS SCIENCE AND ENGINEERING GRADUATE

Possessing a developed an ongoing interest in materials science development, in particular the solid state chemistry side of ceramic science as well as a wide knowledge base and Up-to-date on general advances in the disciplines covered by the IOM³. Strong educational background together with work experience that has required team work and developed problem solving and analytical abilities, organizing skills and the ability to carry out practical experiments, frequently using computers to analyze results. Now having achieved immediate academic objectives aspiring to gain entry and start a challenging career within the materials science or engineering field.

EDUCATION

BEng.	Materials Science and Engineering (University of Sheffield). Covered various disciplines including; metallurgy, ceramic, polymers, ceramics and composite sciences.	2003-06
IOM³	Member of the Institute of Mining, Minerals and Materials	Since 2005
A levels:	x 3. Mathematics, Chemistry, Physics. (La Sagasse high School, Newcastle)	2003

NOTABLE PROFESSIONAL ABILITIES

- **Thermomechanical Processing**: developed knowledge of the material science underlying the evolution of microstructure during solid state thermomechanical processing of metallic materials.
- **Cement and Concrete, Science and Processing**: developed an understanding of the manufacture of cement and phases; mechanism and hydration, effect of additives, properties of hardened cement paste, types of cementing systems, properties and durability of concrete and elementary mixing properties.
- **Solidification**: understanding of the considerations that govern solute partitioning and microstructure formulation in solidification of melts the consequences.

WORK EXPERIENCE AND ACHIEVEMENTS WHILST STUDYING

SALES ASSISTANT (Company A, Newcastle upon Tyne) **Sep 02 - Present**
Casual Sales Assistant (Jun 06-present), (Dec 03-Jun 05), Sales Assistant (Sep 02-Jun 03).

Gained excellent retail sales experience that has required the ability to work under constant pressure whilst maintaining a high degree of interpersonal and customer service skills, merchandising and display, good experience in dealing with difficult customers and solving their problems, salesmanship, sales initiatives, teamwork management and computer literacy.

- Gained good experience in the retail sector working on various departments: fashion, electrical, glass china, linen and toy department at Christmas and administration.
- Trained and supervised new and less experienced employees when required.
- Met all daily targets. Number 1 profit making company in the North East.

PERSONAL

Interests and Pastimes: Arts, crafts, badminton, swimming, music, playing the piano.

Born: 1985. **Marital Status:** Single.
