SOCIAL WORKER

An accomplished social worker providing high quality care and support to socially excluded children and those experiencing problems. Having a proven track record of bringing successful conclusions to complex caseloads on time, within budget and to the highest satisfaction of all parties (individuals, families and groups within various settings). Possessing an in-depth understanding of the Asian culture, relevant legislation, quality procedures, plus social work principles and techniques. After an enforced career break, I am now really looking forward to making a continued significant contribution within my much loved social working career.

PROFESSIONAL EXPERIENCE AND SIGNIFICANT ACHIEVEMENTS

SOCIAL WORKER

2003 - 11

Children's Services, Birmingham Social Services

As part of a children's assessment team and in liaison with other healthcare professionals and families dealing mainly with statutory cases and the legal system on high-end, high profile cases regarding child abuse. On the front line, independently dealing with vulnerable children: writing / processing Interim Care Orders, Emergency Protection Orders, Full Care Orders, Freeing Orders, Family Assistance Orders, and Permanency Reports, as well as the completing overview assessments, formulating, monitoring and reviewing care packages.

- Significant court related work: pursued care orders, both interim and full care orders and met all deadlines.
- Significantly improved the quality of numerous children's lives by assessing, recommending and developing care packages.
- Reviewed and wrote client assessments under my care.
- Interviewed children and their families to assess their circumstances.
- Offered and arranged counselling in support to service users and their families.
- Made decisions and recommendations in support of clients' care packages.
- Attended tribunals and courts as required and gave evidence in legal proceedings.
- Maintained up-to-date manual and electronic records and databases.
- Organised, chaired and attended team meetings and Child Protection Conferences.
